April 2010

### **PUBLIC MEETING – TRAILS IN THE WYE VALLEY**

adventa and Monmouthshire County Council are working on a joint project that is European funded for multi-purpose routes within Monmouthshire, to include walkers, cyclists and horse riders, that will encourage visitors to Monmouthshire but also benefit the local community.

We have identified two potential routes in the Wye Valley and we would like to show you the proposed routes. We are holding an open meeting on Wednesday 21 April 2010 at St Arvans Memorial Hall – it will be an informal opportunity for interested parties to drop in and look at the maps and discuss the routes between the hours of 3.30 pm and 6.30 pm.

We are keen to speak to local businesses that might be able to benefit from increased visitors to the area, accommodation providers, equestrian businesses, cycling business, activity providers, shops and restaurants, as well as local residents who know the area. We would like to learn more about the area, local information and stories.

If you would like to hear more but are unable to make the drop in session, please get in touch.

We do hope that you will be able to come and learn more about the project.
