H.O.E GROUP SOCIAL / TRAINING RIDE

Saturday 12th February 2011

WYRE FOREST

Wyre Forest Visitors Centre, Bewdley, Worcestershire.
DY14 9XQ
(Distances of 24km or 16km)

The Wyre Forest Social and Training Ride is open to Heart of England Members and Non-members and ALL are welcome. This is a great way to kick off the Endurance Season or to blow away the winter cobwebs for others who wish to experience our sport without the pressure of presenting to the vet or riding to a specific speed or time.

The ride consists of a mixture of hard and soft tracks through the Wyre Forest for a circular distance of up to 24km, or for those who have only just brought their horses up after the hard cold winter, there is a shorter route available, which is around 16km. First horses out at 9.30am no horses out after 12 midday.

Toilets and refreshments (from a cup of tea and a slice of cake to a light lunch) are available at the visitor centre throughout the day.

Entry Fees are £12.00 for EGB members and £20.00 for non-members which includes the forestry fee and Endurance GB day membership for non-members. Rosettes to all Riders.

Please visit our website: www.heartofenglandegb.co.uk and click on group rides for an entry form, payment details and information on what's included in Endurance GB's Day Membership. You can find us on Facebook at Heart of England Endurance GB where you can ask questions either about this ride, the other rides that we will be organising throughout 2011, or general questions about this exciting sport.

If you have any queries please call the ride Organiser, Di Latham on 07710217871 or email: dilathamhorses@aol.com.

Looking forward to seeing you there
